COLD CHAIN
EXPERT AT
YOUR SERVICE

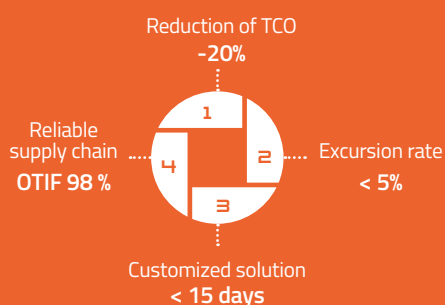

Having created the first pallet shipper nearly 20 years ago, Sofrigam designs and manufactures high quality cold chain solutions meeting the most demanding needs of the biotechnology, pharmaceutical and chemical industries. Customer-oriented, Sofrigam uses its expertise and its global supply chain network to quickly deliver optimized and environmentally friendly solutions following the Good Manufacturing Practices (GMP).

Sofrigam has several locations across the globe: its original manufacturing plant in France and its affiliate in Texas, United States

They trust us: GSK, Sanofi Aventis, Pfizer, Bristol-Myers Squibb, Pierre Fabre.

OUR GOAL

CUSTOMIZED SERVICES

COLD CHAIN
MADE SIMPLE

SERVICES FOR:

QUALITY

LOGISTICS

PURCHASING

MARKETING

DESIGN
OFFICE
